# Duo Two-Layer Roof & Deck Membrane

**EQUUS SOPREMA DUO is a high-performance two-layer modified bitumen membrane system for exposed flat roofs, balconies, terraces and podium decks. Designed for new construction and refurbishment, DUO delivers durable, flexible and UV-resistant waterproofing with proven long-term performance.**

CodeMark
CMNZ70151

BRANZ Appraised
Appraisal No. 685

BRANZ Appraised
Appraisal No. 1169

The 6.5mm thick system combines a compatible base sheet with a DUO cap sheet incorporating dual-bitumen technology. SBS bitumen provides flexibility and adhesion, while APP bitumen delivers durability and weather resistance. A natural slate finish with minimal chip loss offers long-term UV protection.

DUO is suitable for plywood and concrete substrates, with self-adhered, fully torched, mechanically fastened and root-resistant options available. The system is CodeMark Certified, BRANZ Appraised and compliant with the New Zealand Building Code, with warranties available for up to 25 years.

## Available Colours:

GW (Grey White)

WGG (White Grey Green)

BO (Brown Oxide)

NOIR (Black)

## Key Product Benefits:

- Two-layer system for reliable long-term waterproofing
- Dual-bitumen technology for flexibility and durability
- Pressed natural slate chips with excellent UV resistance
- Low chip loss for stable long-term appearance
- Suitable for flat and near-flat roofs and decks
- Compatible with plywood and concrete substrates and warm roofs
- BRANZ Appraised and compliant with NZBC
- Equus warranties up to 25 years
- Additional 20-year SOPREMA insurance-backed warranty for NZ-installed DUO systems

## Technical Support:

- Project-specific specifications & details
- Approved installation nationwide & onsite QA
- System warranties
