

EQUUS RESIN FLAKE FLOORING COLOUR RANGE

High-performance flooring for commercial & industrial environments

PRODUCT INFORMATION

Stone Grip – Size: 2mm Micro Flake (includes quartz stone)

Stone Grip has been specially designed for areas such as school toilets, change rooms, entry/exits, commercial premises, commercial kitchens, and more. Quartz stone has been added to provide additional slip resistance on both wet and dry floors.

Please note: Colours may not be strictly accurate due to screen quality and other factors.

For full colour samples, please contact your local Equus consultant.

USER BENEFITS:

- Suitable for domestic, commercial, and industrial flooring
- Ideal for showrooms
- Aged care facilities
- Does not harbour bacteria
- Highly resistant to wear
- Seamless and slip resistant
- Non-yellowing UV stable finish

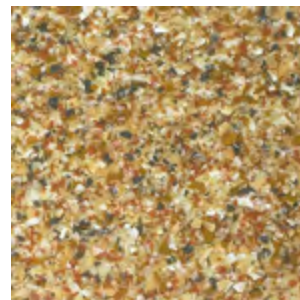

DISCLAIMER: The colours shown in this brochure have been reproduced to represent the actual product colours as accurately as possible. However, we recommend checking your chosen colour against a physical sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones.
